Support for Duncan Park / 9th Street BMX in Austin, Texas

About this petition

South Duncan Park - Austin Parks Foundation Community Grant – Letter of Support

Dear Mam / Sir,

We are seeking your support as a community stakeholder interested in Duncan Park.

Our group; 9th Street BMX, are the official adopters of Duncan Park through the Austin Park Foundation's [Adopt-A-Park](#) program. We have volunteered over 25 years of manual labor to transform the South side of Duncan Park into an internationally recognized collection of bicycle jumps and trails.

Our group's contributions and goals for Duncan Park provide a positive influence in the community that encourages healthy outdoor activities, diversity, and park stewardship.

We work with the Austin Parks Foundation (APF) and the City of Austin Parks and Recreation Department (PARD) towards common goals. This cooperation has led to an opportunity to apply for an Austin Park Foundation's Community Grant.

This grant will provide for the following project goals and park amenities in South Duncan Park:

- Native Landscaping / Native Trees/ Re-vegetation
- Trail Kiosk – Informational Signage
- Bicycle Tool Station
- Seating Areas – benches, picnic tables
- Art Sculpture Installation

Please visit our website for more park /group information, volunteer for park events, or to donate to our Austin Park Foundation [Sponsored Fund Account](#).

Please contact us for more information including project goals, design plans and details.

On behalf of 9th Street BMX, we sincerely appreciate your support.

Comments: Thanks for supporting Ninth Street BMX

2. Name: Tony Stein on 2014-11-21 17:35:35
Comments: what an amazing place for people of all ages. My son, who is 5.5 and has been riding his bike for 6 months now can't let a weekend go by without at least 1 visit to 9th street! it's gotten his dad riding again too!

Comments: This is an amazing place. For many of Austin's BMX riders 9th street is where it all started. While the sport at its highest level is lauded by all, they all have to start somewhere. Please support and allow this area, the place that in many ways began the BMX movement which brought us the X-games to continue. This is a safe place for kids to discover the sport, enjoy the beautiful outdoors, and to learn responsibility and hard work to maintain the area.. Thank you.

Comments: this is a wonderful place for people to ride & do tricks. It is a nice little piece of Austin that has been maintained by the users, and they have done a remarkable job, too. I have worked across the street for the past 13 years & marvel at how much it is used & the dedication of those who shore it up after bad weather. Any additions will be so fabulous & well needed.
